A dark, circular, textured object, possibly a medal or a small clock face, with a small ring at the top. The surface is heavily textured and appears to be made of a dark material like wood or metal. There is a small, circular feature in the center, possibly a hole or a small dial. The object is shown from a slightly elevated angle, highlighting its three-dimensional form.

MS693B - 60mm

A circular medal with a textured, metallic appearance. It features a central design of a tennis racket with a ball, set against a background of diagonal lines. The medal is attached to a ribbon at the top.

A circular bronze medal with a relief of a man and a woman in classical attire. The man is in the foreground, and the woman is behind him. The medal has a ring at the top for a cord.
